Yes, Eric is alive and well in Vietnam. Just got through working with the Armor. It was pretty rough being 3 miles from Cambodia. You probably already heard about the operation on the news. We didn't have it too bad, but the armour get their ass kicked. It feels good to be back in our old A.O. — About that shelling on Dania. I was on guard and they missed the LZ that night. — I think if you could see Nam you know why we shouldn't be here. We do get news about the whole situation. All the NVA base camps are

set up in Cambodia and the two main infiltration routes run right by Dannie and Ike. This is where the shit is at. OK? Do you actually think that winning the Vietnam war will bring peace? Don't kid yourself mom, there will always be a war and you know it! Someday Danny and Dan will see their.

Tell Ben "Hi" and ~~Gail~~ Gail ~~Reid~~ Happy Birthday. You can tell Reid he's get some explaining to do.! (CCR) I could dig a roll of film for christmas.
